Disclaimer

The owners, promoters, manufacturers, and distributors of Pure Ocean Pacific stand by and subscribe to the viability of the sea water based solution as a sound and beneficial nutrient source for the human body including over 90 natural elements.

- Any individual testimonials, endorsements, opinions, beliefs and studies are considerate sharing of experiences and information intended for educational purposes only.
- The remarkably positive claims made about this product are well supported by both the experiments conducted by those who carry on business within the steadily burgeoning 21st century sea water based solution market and the growing number of positive testimonials given by satisfied customers of this product. However, the above named will not and can not assume any responsibility for individual results directly related to or indirectly stemming from your use of this product be they in any way less than the stated benefits mentioned here or in the event that adverse and/or negative results happen to occur.
- We do not intend to diagnose, advise, prescribe, treat, prevent, or cure any health condition. Unless otherwise stated, the United States Food and Drug administration (FDA) has not approved the merit of the many favorable and enthusiastic claims made by both sellers and buyers of pure and clean sea water based solution.
- Those who purchase sea water based solution from Pure Ocean Pacific agree to use this product only in the prescribed ways offered by the seller and indemnify the owners, directors, officers, employees, representatives, promoters, manufacturers, and distributors of Pure Ocean Pacific for personal-injury liability that, though rarely, may result from the use of this product or be liable for special, indirect, consequential or punitive damages related to any products sold.
- Customers are advised that the use of sea water based solution is conducted at your own risk and your choice to purchase and use this product should be made after consultation with your personal licensed physician.
- All persons under the age of 18 or persons with no experience mixing concentrates in a 1/100 ratio should be denied access to this product.

The sea water based solution should be mixed at one part *PURE₉₀* to one hundred parts pure water for most applications. All products sold are tested for purity before being sold and are not recommended or approved for resale. Agitate or stir contents to disperse nutrients before application.
